get across the level and obtain victory. Get lost in the action with the beautiful and immersive graphics, the ambient soundtrack and the addictive gameplay. The City of Lament is now online! Discover the solo adventure mode and unlock all the achievements of the universe in the Arena where the true solo experience begins. Welcome to the ultimate adventure of the city of angels! DUST 514® is an online universe with epic sci-fi battles on a continuous scale of operations and massive scale. A completely online game with up to 64 players in combat. You don't need to be connected to the internet. It is a special game designed to be played with your friends and a great opportunity to meet new people from all around the world. The world of DUST 514 is full of adventure and mystery, designed for 4 players to fight against each other in epic scale battles in the midst of intense firefights. You are Master Sylphe, a thief with the gift of the fire spirit. You will need to fulfill your mission: escape the City of Lament and reach your superiors on Earth, and learn how the galaxy works. You will play the role of Master Sylphe in a series of campaigns, and when you reach level 5, your mission will change into a series of challenges. Each of your campaigns will consist of a series of missions that will open up new locations, new opportunities, and will bring you closer to your goal. DUST 514 online includes multiplayer and free-to-play, online social features, and a strong progression system for your weapons and armor. The world of DUST 514 is a world in which you can team up, play cooperatively with your friends, and compete with other players from all around the world in epic battles. Each of your campaigns will consist of a series of missions that will open up new locations, new opportunities, and will bring you closer to your goal 82157476af
