About This Game

- Immersive atmospheric environment, large forest area with lots of houses and interior locations as well.
- Chilling audio cues and music to boost the spooky mood.
- Items to collect and light puzzle solving.
- Use your map to navigate through this dense forest while avoiding 3 different types of "enemies" who will stalk you with their advanced navigational skills.
- Professional voice narration, macabre and horrific story details told via "environmental story-telling" instead of "cutscenes".
- Observe gradually a fragmented story to uncover the truth about this mysterious forest.
